Write your views to them on all important local, national, and international legislation that comes up for vote before them. Express yourself frankly and with force. They need your letters. They are away from home and many times under evil influence. Do not hesitate to write them many times a year strengthening their hand and giving them the advantage of your good judgment and common sense. Guide them with good, old fashioned home-town logic and help save America from pitfalls which daily threaten our constitutional rights.

EVERY CITY

must have a Directory not only to give the names and addresses of its citizens, but also to give that character of progressiveness that would record the name of its people for historical purposes. Every one has forefathers, these forefathers have made the history of this country, some day you will be the forefather and your descendants can visualize your life's work quicker through the registration in the Directory of your time than in any other way. The BIOGRAPHICAL HISTORY OF THE MASSES IS CONTAINED IN THE CITY DIRECTORY AND NO OTHER PLACE. That stamps its importance to the family. To make your history, watch your Directory registration to see that it accurately records your position in life from year to year.

FAIRHAVEN

LOCATION—Fairhaven is located across the Acushnet River and the harbor from New Bedford. It shares the fine location of that city on Buzzards Bay. To the west across the bridge one mile is the business section of New Bedford, further west is Fall River, Providence and the state of Connecticut. Fairhaven is attractively laid out and has over 15 miles of waterfront. To the east, the highway soon enters the real Cape Cod country of ocean, bay, bluff and promontory, beach, cranberry bogs, tourists, and real Cape Cod folks.

SEEING FAIRHAVEN—Most prominent among Fairhaven's buildings is the beautiful Memorial church given by late H.H. Rogers in memory of his mother. It cost about 2 million dollars, the chimes cost \$50,000, the organ \$50,000, the baptismal font cost \$35,000. The church has beautiful stained glass windows and every pew is hand carved of English teak wood (no two alike). The exterior stone carvings took Italian artisans 2 years to complete. The

stone used in building the church was quarried entirely from Fort Phoenix. South on Green street is Fort Phoenix, bathing beaches, Fort Phoenix Park and many boat and ship yards. Here we have a fine view of Buzzards Bay.

INDUSTRIAL—Fairhaven has nine industries producing boats, yachts, marine railways, marine construction, tacks, nails and eyelets, castings, loom cranks, machinery, ice cream, insect screens, oil refining, sails, toilet preparations, etc. Combining with New Bedford, there is an excellent labor market here, facilities for manufacturing cannot be excelled anywhere in the country.

RELIGIOUS AND EDUCATIONAL—There are seven churches representing the leading denominations. There are eight public schools with 78 teachers, with 2,279 pupils. Two parochial schools.

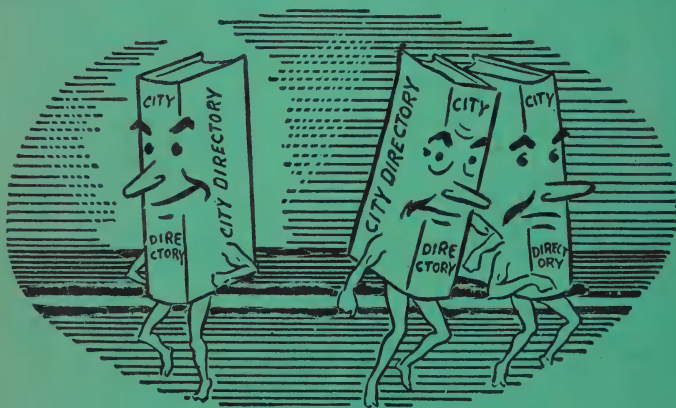

MISCELLANEOUS—Fairhaven has two banks, a fire department with three stations, a police department with one station and eight men, post office with three sub stations, library open every day, 2 weekly newspapers, one hotel. Limited form of town government incorporated February 22, 1812, with 242 elected representatives. Fairhaven representative state District 9, Bristol county with 5,359 voters, Acushnet 1,368 and Dartmouth 3,047 with 1 representative. Population 11,051. Tax rate for 1939 was \$42.50, total valuation \$10,765,000.

This is the Sign of the Progressive Merchant

Who Appreciates Your Patronage by Letting You Use His City Directory.

Who Shows His Desire That You Learn the Efficiency That Frequent Use Will Give to You.

Every City must have a Directory not only to give the names and addresses of its citizens, but also to give that character of progressiveness that would record the names of its people for historical purposes. Every one has forefathers, these forefathers have made the history of this country; some day you will be the forefather and your descendants can visualize your life's work quicker through the registration in the Directory of your time than in any other way. The BIOGRAPHICAL HISTORY OF THE MASSES IS CONTAINED IN THE CITY DIRECTORY AND NO OTHER PLACE. That stamps its importance to the family. To make your history, watch your directory registration to see that it accurately records your position in life from year to year.

THE CIRCULATION OF THE CITY DIRECTORY EXTENDS TO EVERY CITIZEN OF THE CITY. The Information Bureaus of the City are for FREE public use and your merchant, banker, physician, dentist, hotel and restaurant and garage man expect that the masses of the people shall without hesitation ask for a look at the City Directory.
